versie 1 - 4.10.10

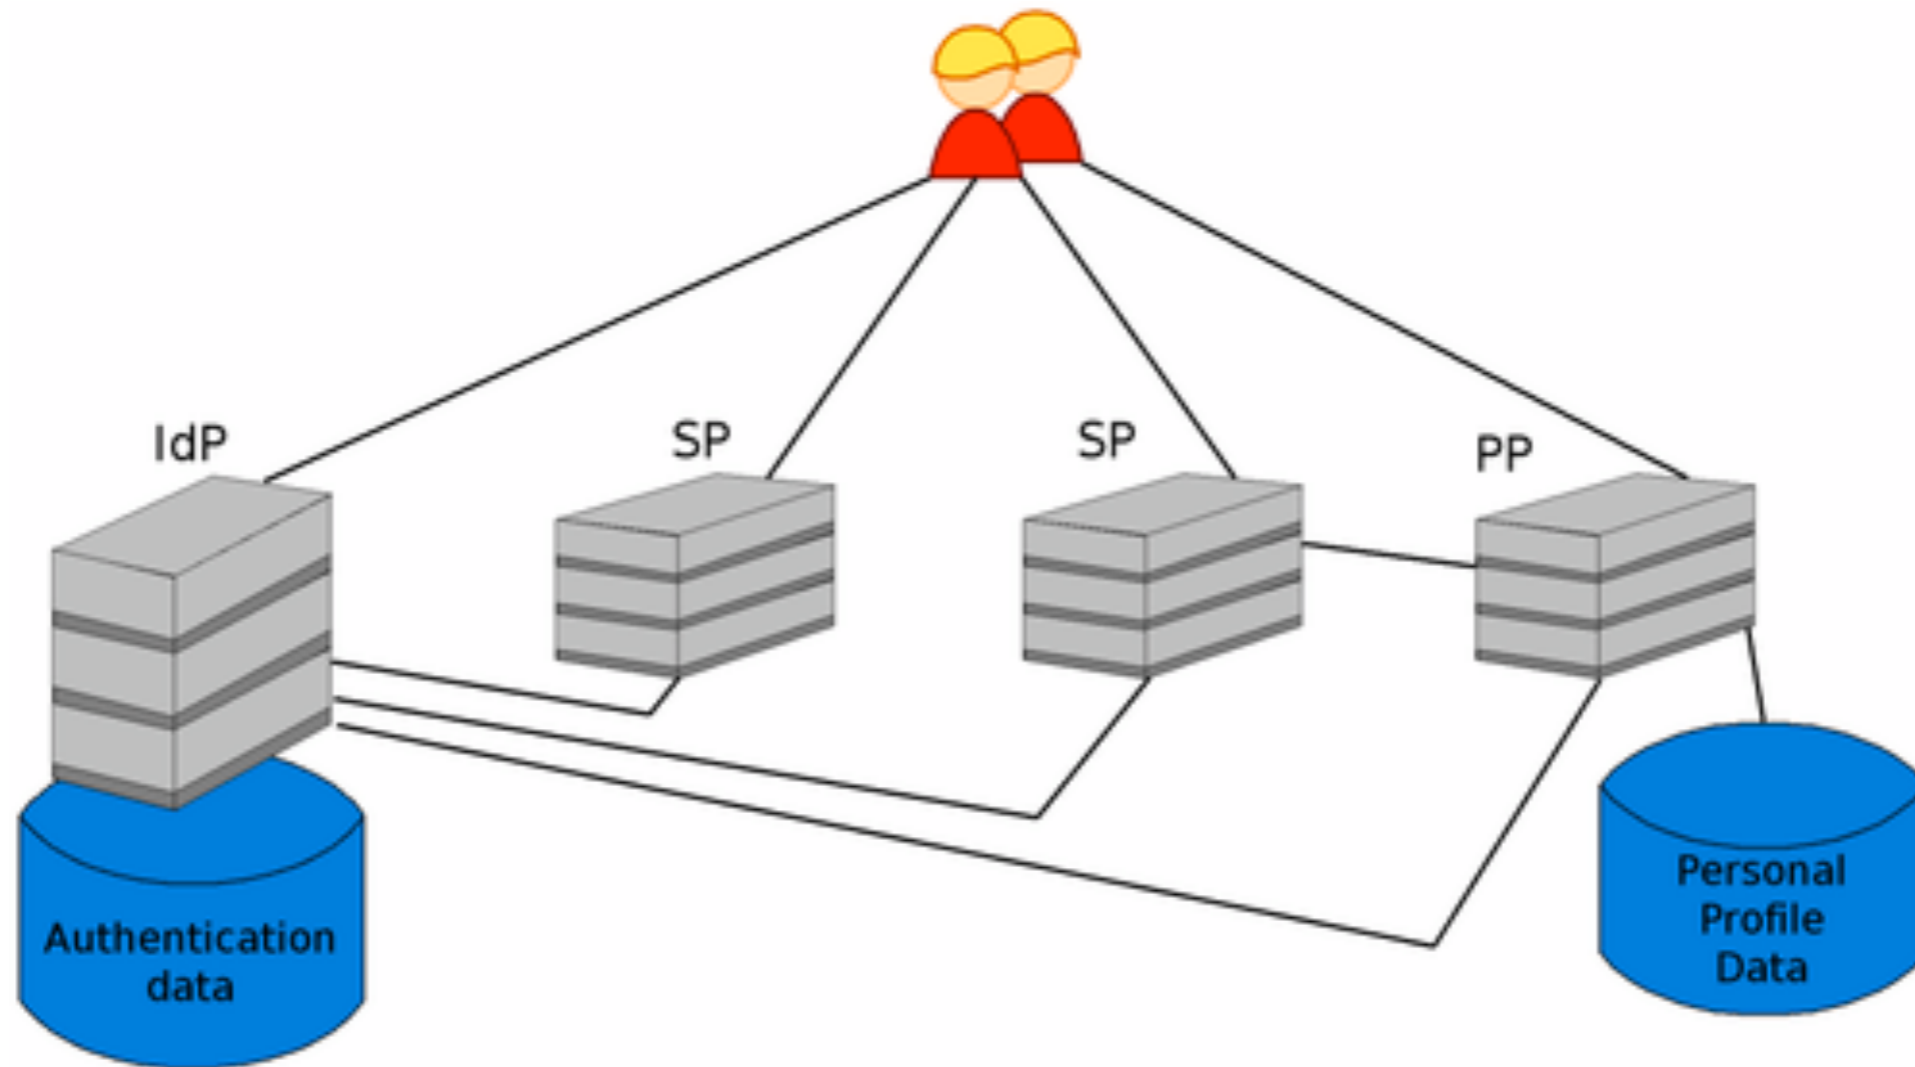

Het Probleem

Identiteit is verspreid en redundant

<http://symlabs.com/products/federated-identity-suite/tutorials>

De Oplossing : Federation

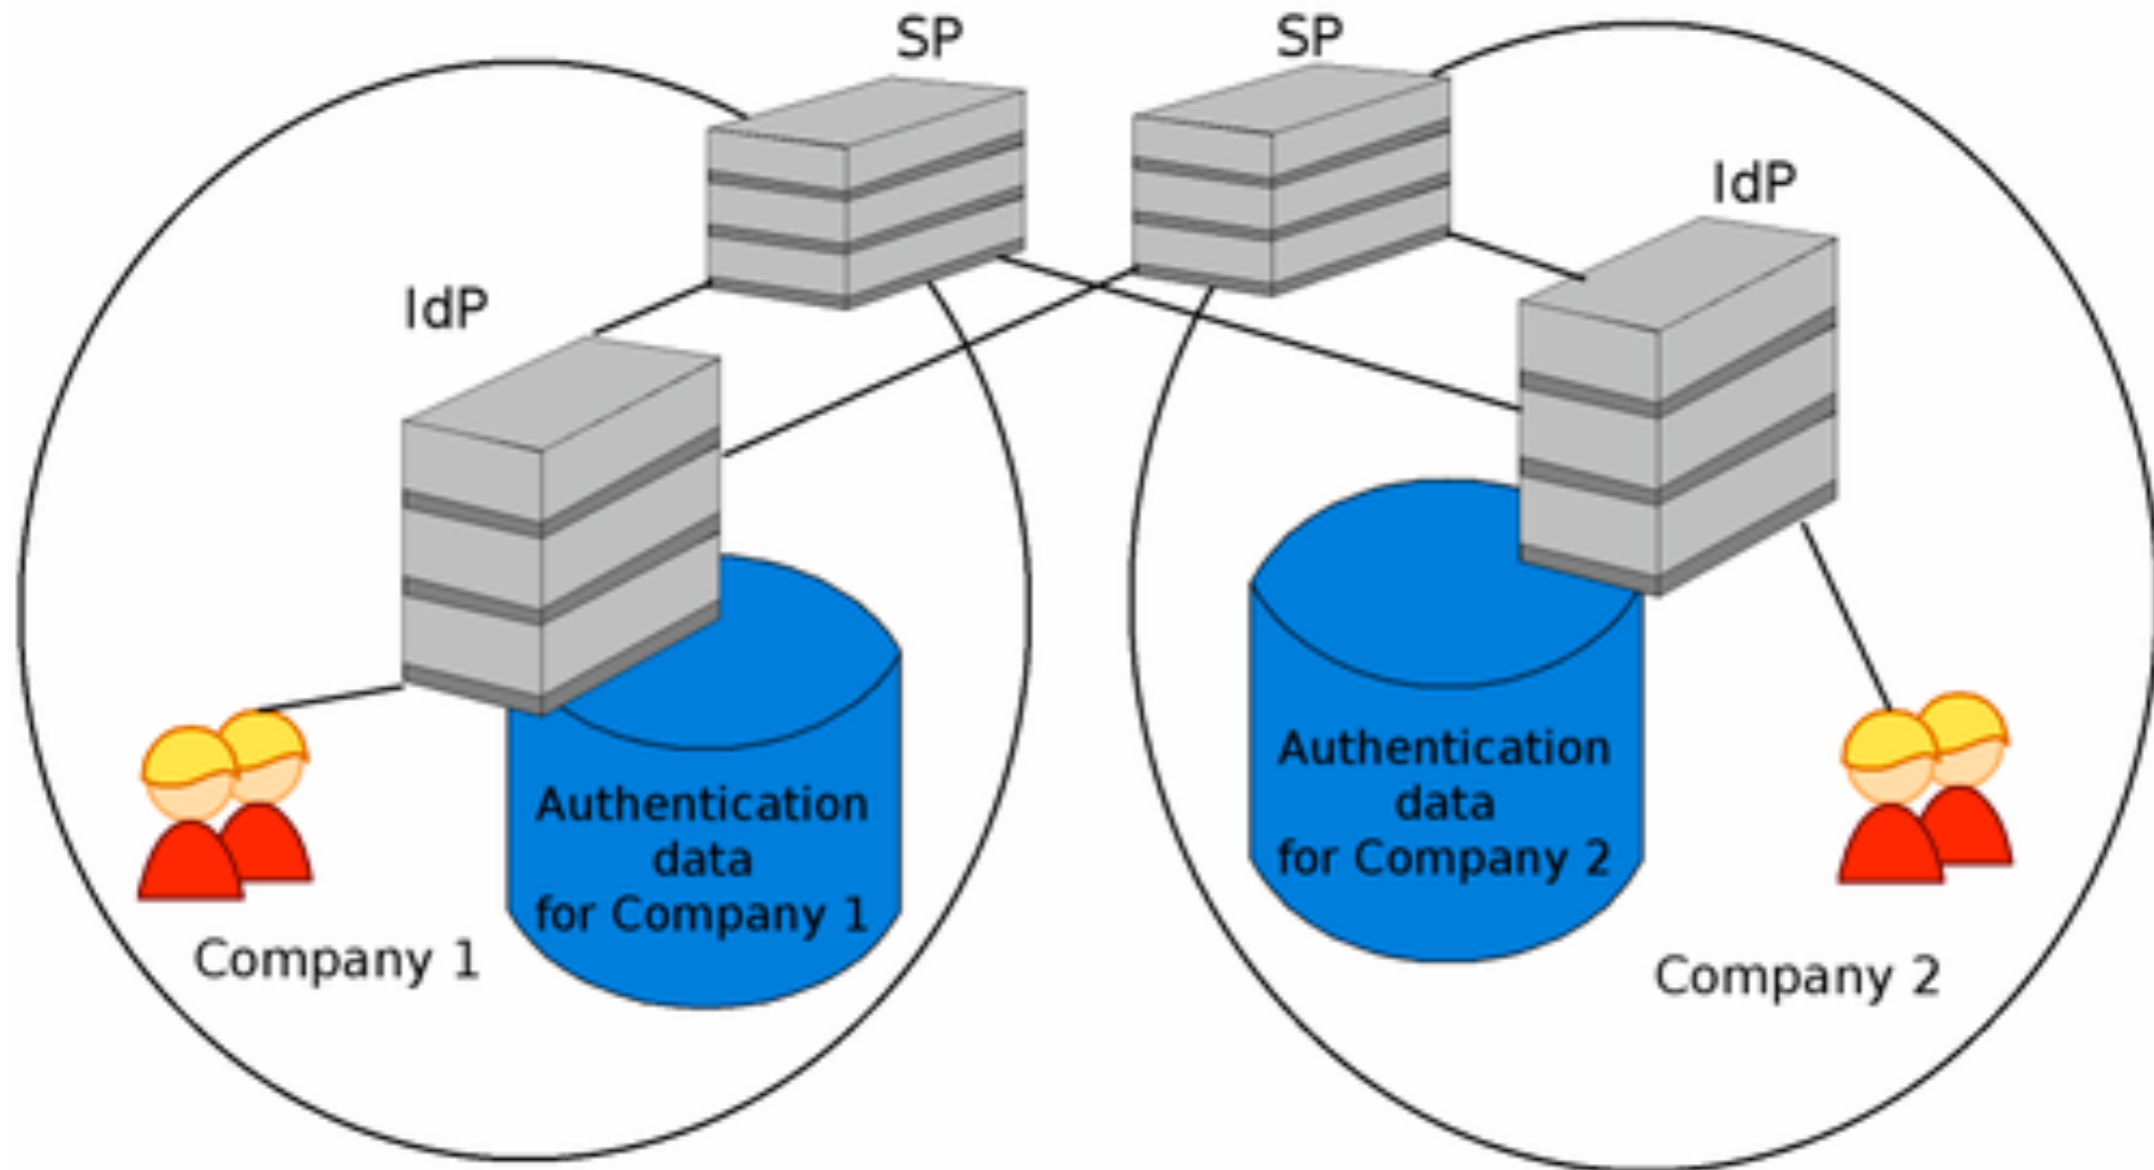

IdP=Identity Provider (authentication)

SP = Service Provider

PP = Profile Provider (optional)

Meerdere IdPs

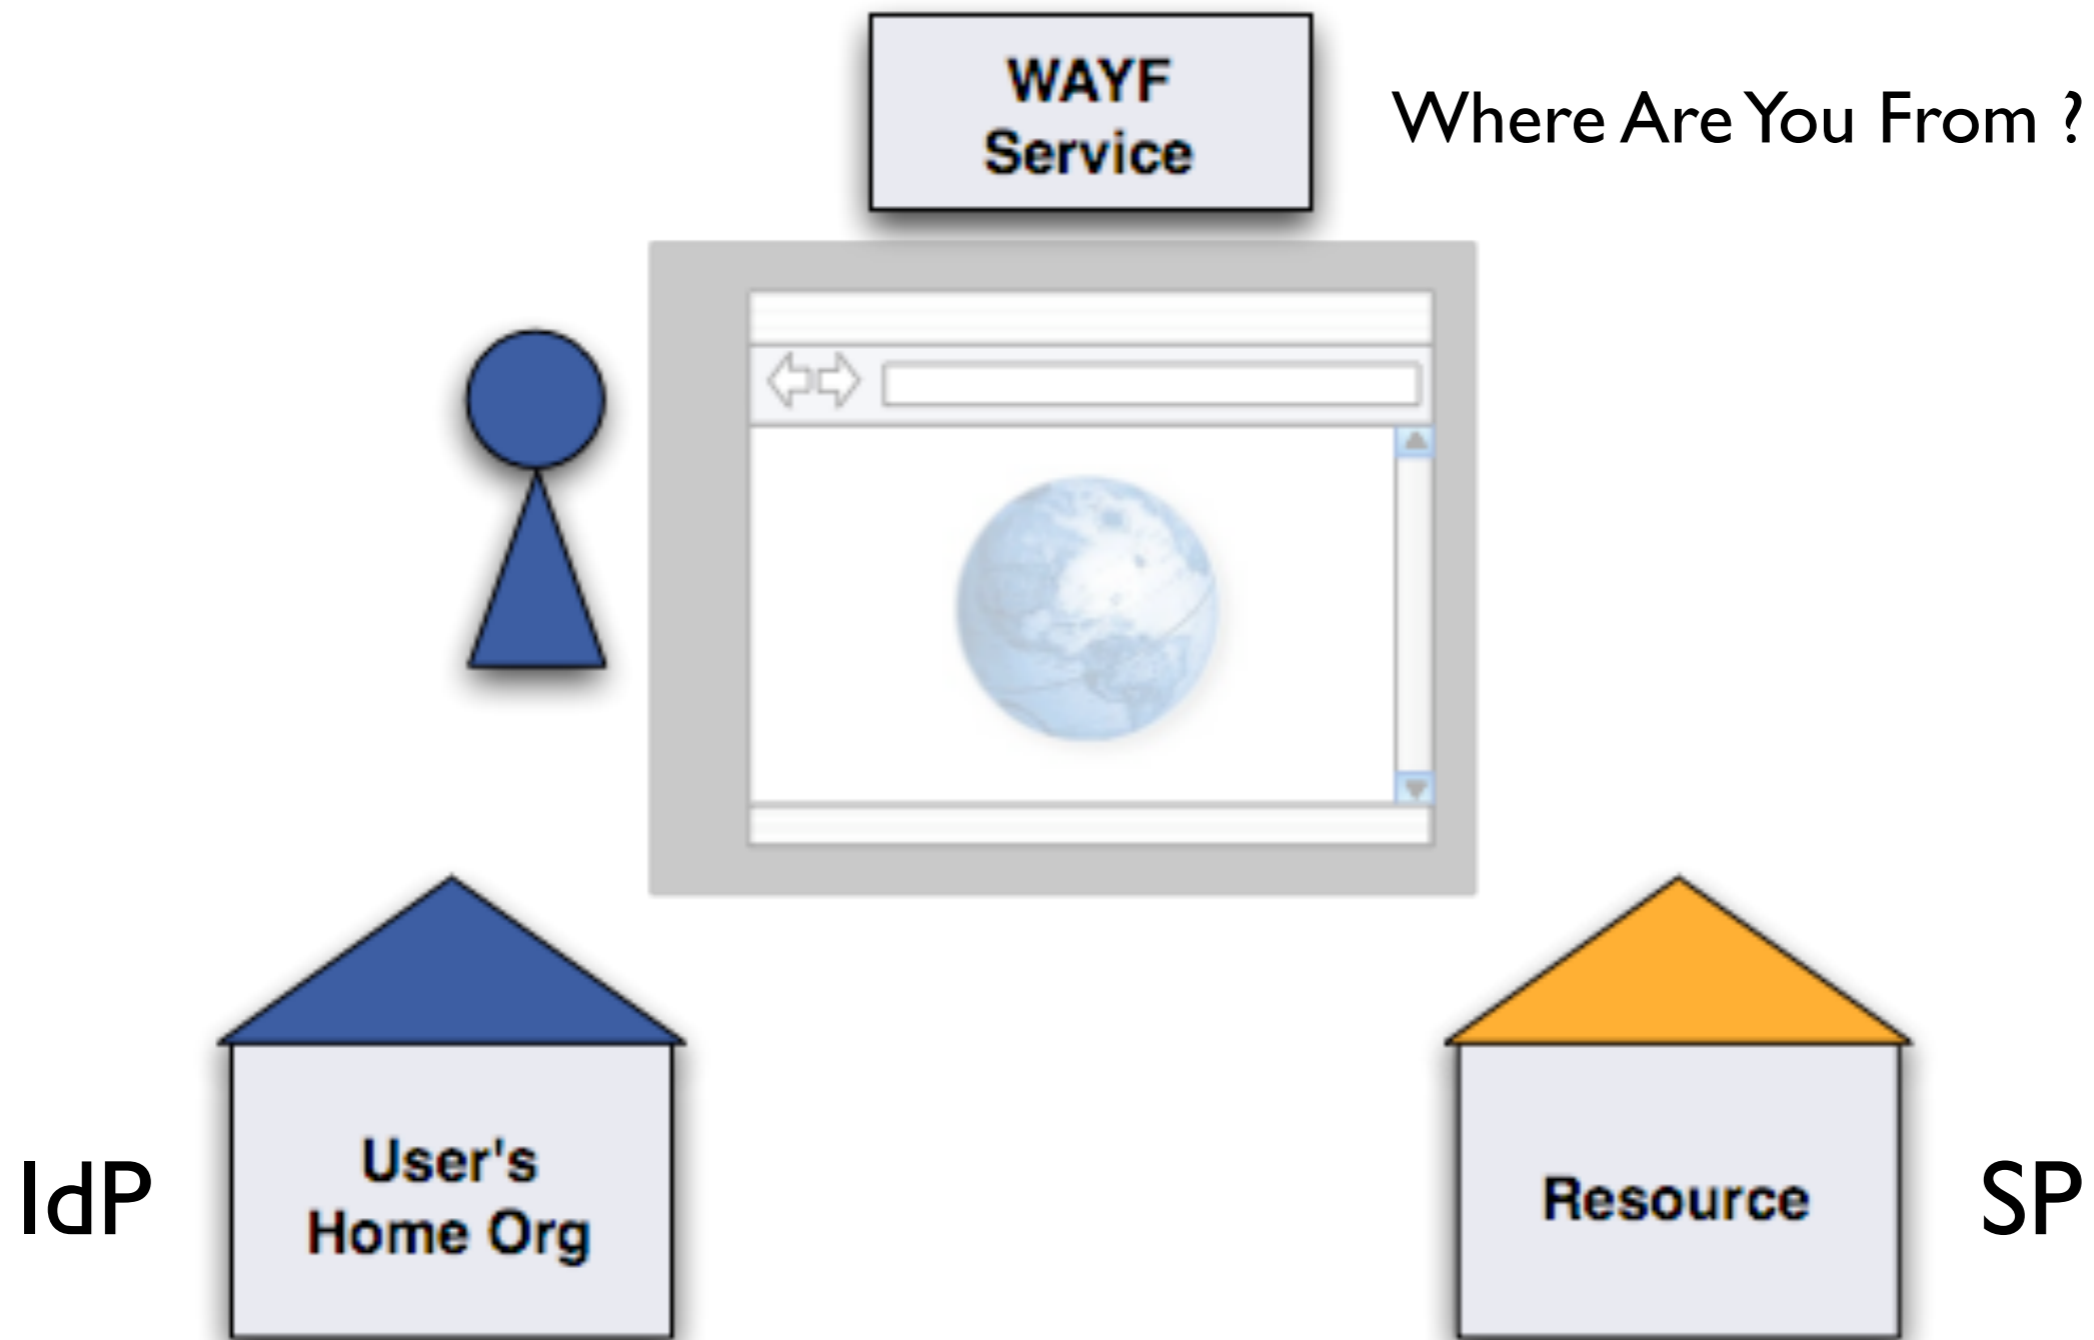

2 bedrijven geven toegang tot elkaars intranet applicaties maar delen geen gebruikers data

Technologie

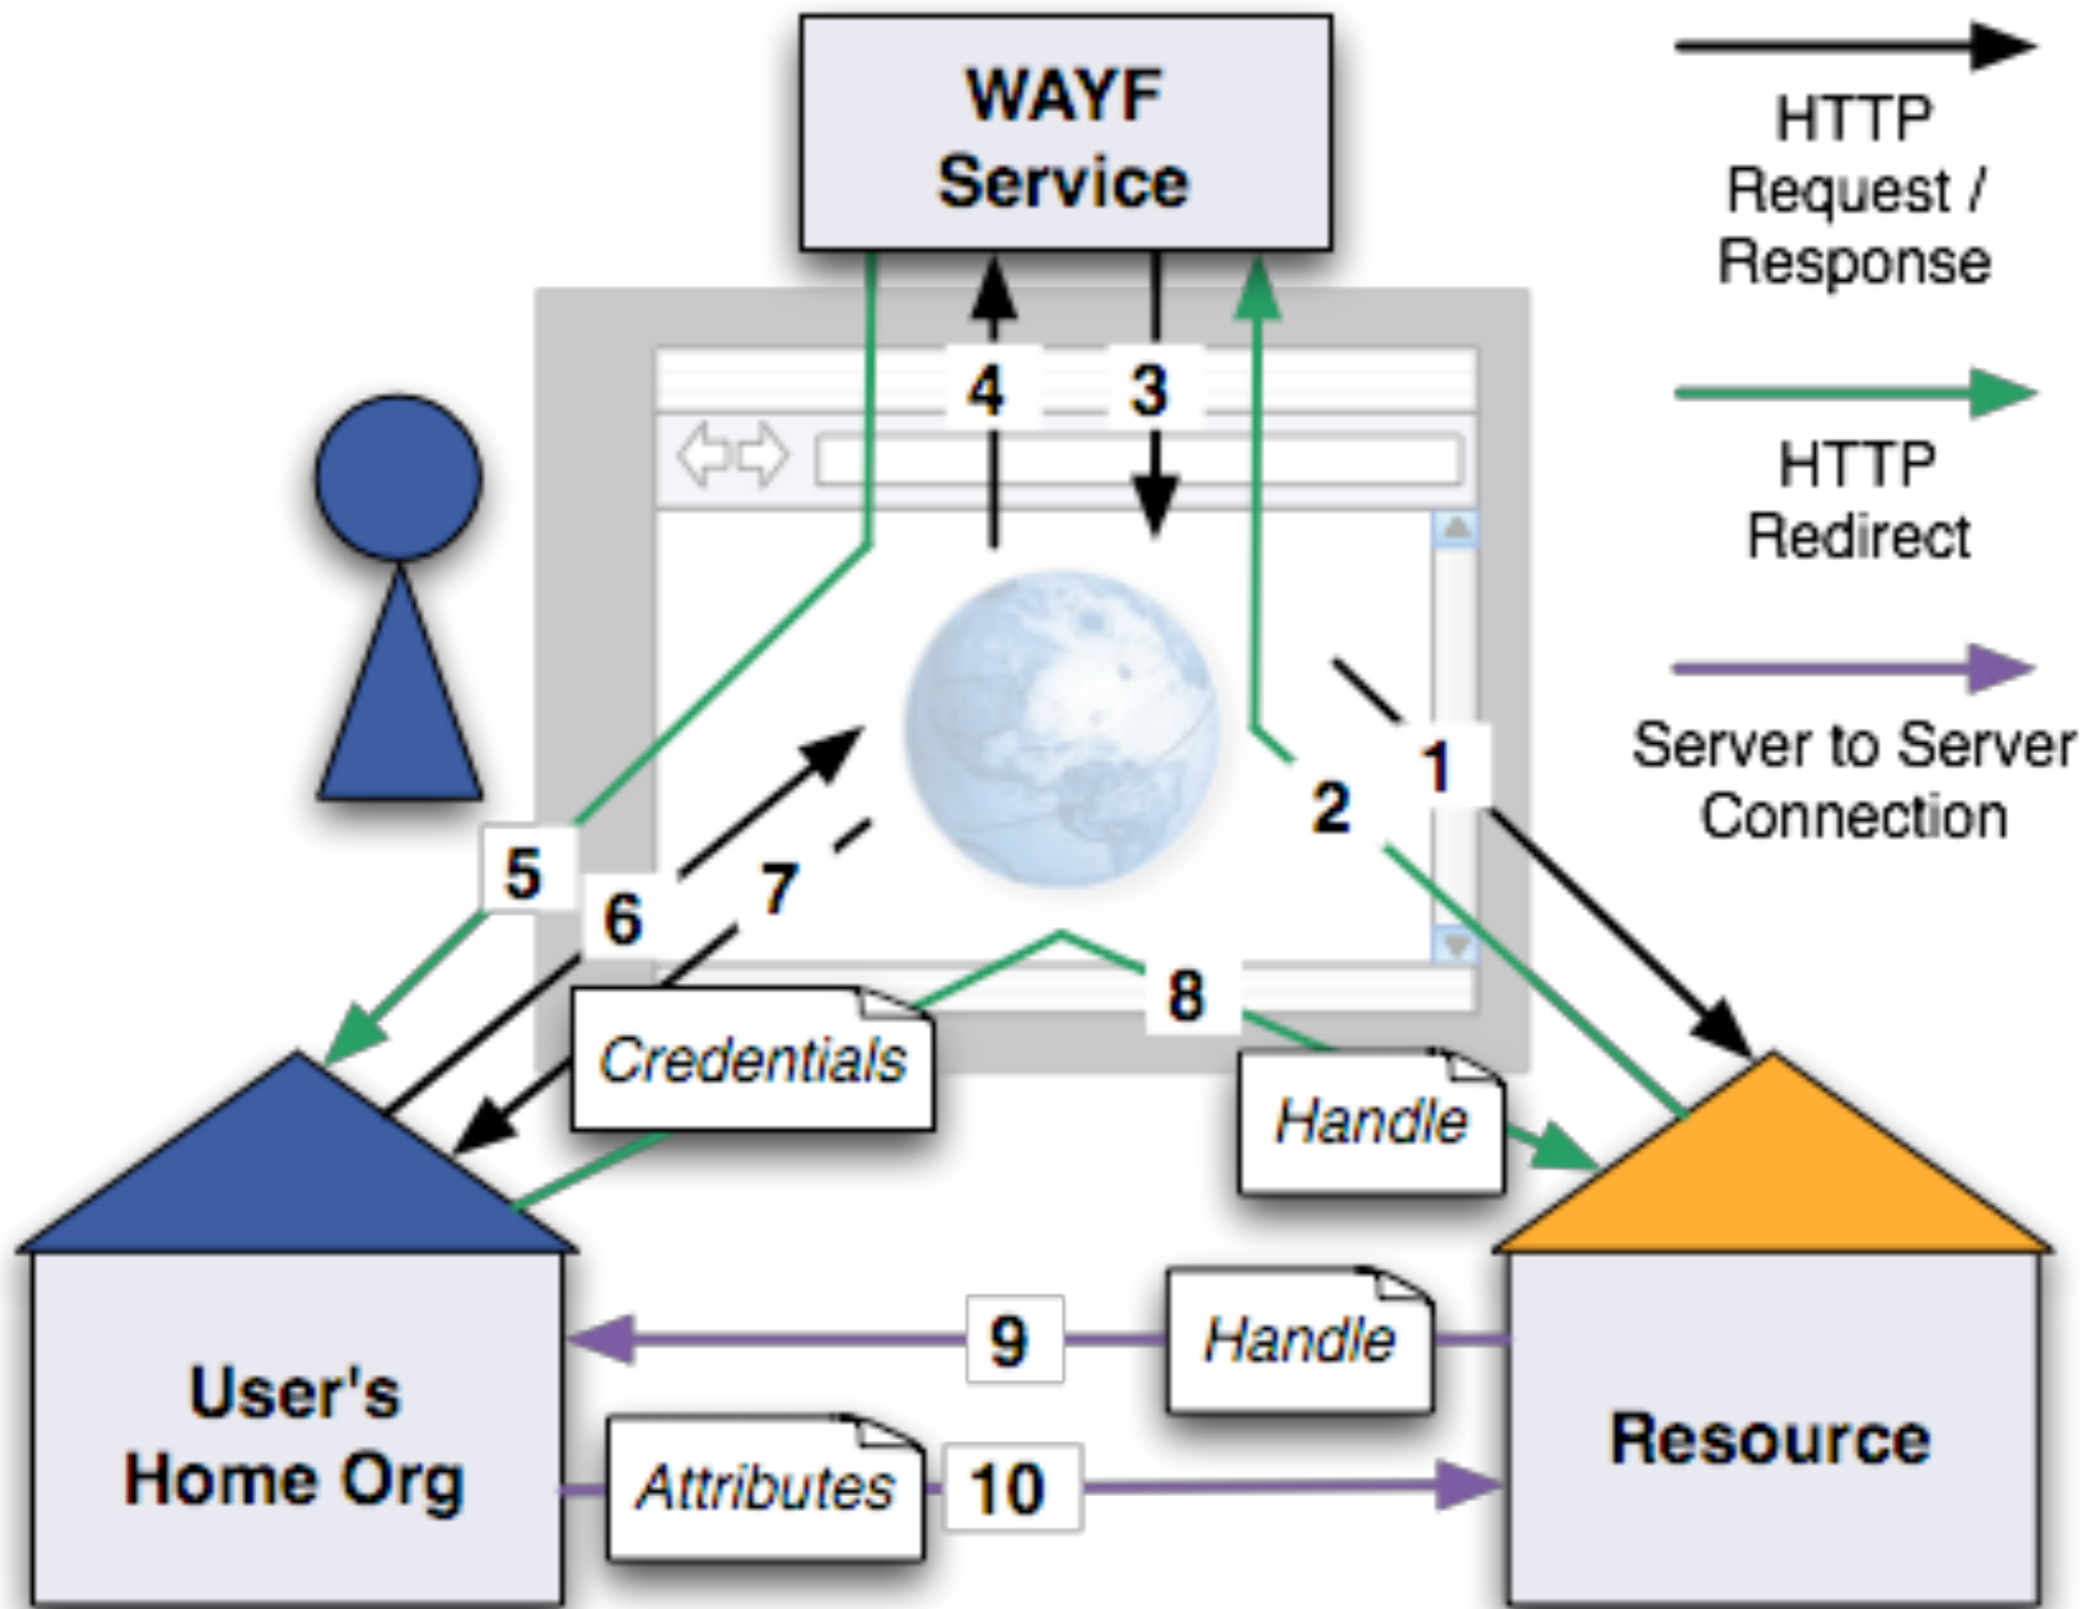

Shibboleth®

Shibboleth Componenten
